ANALOG PRODUCTS		PRICE
The Kraftwerk 10	10 AC outputs of which Eight independent filter blocks. Pacific chassis. 8 x 2300 Watts filtered, 2 x, 3600 Watts unfiltered, max 5700 Watts total, including two additional unfiltered outputs for monoblocks. Two filtered outputs have DC blocker and the two unfiltered outputs also have a DC blocker.	€4800,00
Amber Amp	Balanced, 4 inputs, EL84, 12WPC, amorphous transformers, OLED display with remote, headphone out	€8400,00
Amber Amp / DAC	Balanced, 4 inputs, EL84, 12WPC, amorphous transformers, OLED display with remote, headphone out with Amber DAC inside	€10800,00
Poseidon Preamplifier	Ultimate tube stage based on the new Poseidon DAC. Octal 6J5 and noval 6N6P tubes. True Copper Lampizator capacitors or equivalent. Tubes outside chassis. Remote control, memory of settings, OLED display, muting, 64 steps resistor ladder discrete configuration. 2 RCA + 2x XLR pair inputs, XLR and RCA outputs, silver wiring in teflon insulation. High input impedance / low output impedance.	€26400,00
Vinyl Phono VP4	Single ended high end phono stage with 2 MC inputs, 1 x MM input, switchable MC load, 70 dB amplification, zero feedback, zero silicon, zero opamp.	€9600,00

Vinyl Phono VP4 Balanced	Balanced as well as SE outputs via one balancing tube buffer high end phono stage with 2 MC inputs, 1 x MM input, switchable MC load, 70 dB amplification, zero feedback, zero silicon, zero opamp.	€12000,00
SILVER VP4 upgrade	Silver version of VP4 The signal transformer is wound with pure silver wire. Silver capacitors are used in signal path. Copper PIO caps are in output stage. Flight case. Wood sub chassis base frame. Copper top. WBT sockets Price additional to base VP4 product.	€4800,00
GulfStream	High end streamer, custom design fully linear Lampisator PSU build-in.	€9600,00
